Student Accident Insurance for life's unexpected events.

Dear Parent(s)/Guardian(s),

Did you know that expenses from your child's accident may exceed the benefits provided by your government and group insurance plans? Some expenses are not even insured under government and group insurance policies. So whether your child is involved in an accident at school or during non-school hours, insuremykids® helps protect your family's finances!

The Platinum Plan, our best-selling plan, offers 24/7 coverage against accidental expenses including dental, ambulance, cast, prescription medication, and even out-of-province emergency medical fees.
